Cramping Spells

"FOR MORE THAN A YEAR I had been in a very bad condition," says Mrs. R. E. Kimbrell, of Route 1, Dorchester, Texas. "I suffered with cramping spells which gave me bad pains in my back and sides. Sometimes I would have to catch at something. I would get so suddenly dizzy. . . . I had to quit doing my work. I tried many remedies, but none of them seemed to do me any good.

"In April I went up to Arkansas to visit my sister. . . . She said to me, 'Will, if you are going to take anything, take Cardui. It will really help you.' I came home and told my doctor what she had said and he said I could not take any better tonic, so my husband immediately got me a bottle and I began it. . . . My case was a pretty tough one, I know, so I kept on faithfully. After the fourth bottle, I began to feel very much better, so much so that I was surprised at myself. I have taken six bottles now and I can truly say I feel like a different woman. . . . I feel fine and I owe it all to Cardui, which I took faithfully."

LIFE IN THE EARLY CHURCH

LESSON TEXT—Acts 4:31-5:11.

GOLDEN TEXT—"The multitude of them that believed were of one heart and of one soul."—Acts 4:32.

PRIMARY TOPIC—A Story About Giving.

JUNIOR TOPIC—How the First Christians Loved One Another.

INTERMEDIATE AND SENIOR TOPIC—How the Early Christians Lived Together.

YOUNG PEOPLE AND ADULT TOPIC—Lessons From the Early Church.

I. Characteristics of the Primitive Church (vv. 31-35).

1. It Was a Praying Church (v. 31). These early Christians for every want and every need betook themselves to God in prayer.

2. It Was a Spirit-filled Church (v. 31).

When they prayed, the place was shaken wherein they were gathered together, and they were all filled with the Holy Spirit.

3. It Was a Church Which Had Great Boldness in Preaching the Word of God (v. 31).

The ministers of a Spirit-filled church will not offer any apology for the Bible, but will expend all their energy in fearlessly preaching it.

4. It Was a United Church (v. 32).

They were all of one heart and one soul. This shows that they had a unity of feeling and purpose.

5. It Was a Charitable and Generous Church (v. 32).

They held nothing back from those who had need. As needs arose, supplies were given from a common fund.

6. Its Ministers Had a Powerful Testimony (v. 33).

This shows that there must be a personal experience before there can be a powerful testimony.

7. It Was a Church Whose Membership Exhibited Unblemished Character (v. 33).

Great grace was upon them all.

II. Barnabas' Generous Act (vv. 36-37).

He sold a piece of land and turned over all the proceeds thereof to be used for the help of those in need. It should be borne in mind, however, that it is not said that Barnabas sold all the land he had.

III. The Sanctity of the Church Vindicated (5:1-11).

This new community is now for the first time called the church. The mention of the church in Acts 2:47 is spurious. They now have broken with Judaism so that their success depends upon their being recognized. Since this new community superseded the old, God was to make His dwelling place among them—the very sacredness of the tabernacle and temple was transferred to them. This lesson, therefore, must learn, as well as the Jewish mass surrounding it. The sacredness of God's dwelling place must be seen to learn. Moses did not take off his shoes until bidden by the Lord. Nadab and Abihu must be stricken down in the beginning of the Mosaic economy for their presumptuous offering of strange fire before the Lord. Achan was put to death for secreting a part of the booty soon after entering the promised land. So at the beginning of the church, this warning was needed on the part of the church to prevent the hypocrisy of double service.

1. The Occasion Which Brought This Dreadful Judgment on Ananias and Sapphira (vv. 1-4).

It was their hypocritical imitation of the generous act of Barnabas. He and his wife conspired together in this defiance of God. They wanted the honor without paying the price. The same love of praise is causing many in the church today to imitate their unfortunate example. Peter told them they had not lied to men, but to God. So far as we know Ananias did not speak a word, but his actions spoke louder than his words. Such actions could only be accounted for by the fact that Satan filled their hearts. But that did not excuse them. They were responsible for allowing Satan a place in their hearts. We should learn from this that God and mammon cannot be served at the same time. People today are walking in the way of Ananias when they sit down at the Lord's table with unregenerate hearts.

2. The Judgment Which Fell (vv. 5-10).

Both Ananias and Sapphira fell down dead and the young men carried them away for burial.

3. Great Fear Came Upon the Church (v. 11).

This vindication caused the people to know that God was with them, and it also kept the hypocrites from joining with them (v. 13). Let us be ware!

Persistence of Life

Strange, isn't it, that the ludicrous persistence of life! But that is a way that life has. We speak of it sensationally as very fleeting and transitory; and yet there are so many things about us, after all, that are very hard to kill.

Hall's Catarrh Medicine

Those who are in a "run down" condition will notice that Catarrh bothers them more than when they were in good health. This fact proves that while Catarrh is a local disease, it is greatly influenced by constitutional conditions.

HALL'S CATARRH MEDICINE contains ingredients which act directly upon the mucous surfaces to bring about speedy relief. Also a General Tonic, which assists in restoring the General Health. Sold by druggists for over 40 Years. F. J. Cheney & Co., Toledo, Ohio.

VERA

Will warm weather never come? Our early gardens are still in danger, despite the fact that we had an early Easter, which is supposed to be a forecast of an early spring.

Not much fruit left to tell the story of the ravages of Jack Frost.

Our schools were represented at the Field Day held at Appomattox Monday — We havn't heard the particulars; but understand that they carried off some of the prizes.

Mr. Perkins, President of Fork Union Academy spoke in behalf of the $75,000,000 fund at Liberty Chapel Sunday. Mr. Griffith, secretary of the Board, also spoke. While here, they were the guests of the Messrs. "Tom, Bob and Kirk" Meggingson.

Mr. and Mrs. Budd of Farmville, are the guests of Mrs. Budd's parents, Mr. and Mrs. C. C. Hammersley.

We regret to note that Mr. "Buster" Megginnon is very much "under the weather".

John Beale, who has been suffering for more than six months with an infected arm, is very much improved in health.

Mrs. W. T. Childers, Mr. and Mrs. John E. Childers and Miss Violet Nuttycombe were visitors in Lynchburg last week.

Watch the Sunday morning's "News" for announcement of a lecture in Lynchburg by Pilgrim Steward, who is a forceful speaker and will tell you the wonderful things your hearts are yearning to hear. Comforting words of cheer; "Glad tidings of great joy"; seats free, no collection.

A group meeting was held at Pamplin last Wednesday and a most interesting program was rendered, the devotional exercises being conducted by Mrs. R. D. Baldwin. The welcome address was given by Mrs. E. McCleny. This was responded to by our superintendent, Mrs. J. H. McCue. Rev. W. B. Duling spoke on "enlistment" and also urged the payment of pledges to 1925 program at our earliest convenience. Mrs. Duling, chairman of mission study gave an interesting report of the year's work reported 43 mission study classes. Mrs. Jack Marshall gave an interesting talk on prayer. Mrs. T. N. Ranson urged the importance of taking the W. M. U. literature. A duet sung by Mesdames Thos. J. and Wilson Hix added much to the program. Mrs. Jimmie Layne's talk on "Finding your place and then doing your best" was much enjoyed, Our Superintendent's message was very helpful. Mrs. H. T. Terry, who has been leader of this group for the past two years resigned and Mrs. T. M. Ranson was nominated in her place. Mrs. Terry's resignation will be accepted by the Association, which meets at Winfall on July 1st and 2nd.

A play, "The Miller's Daughter", brought here by Darlington Heights high school was fine, but owing to a very rainy night a small crowd was present, so therefore a small sum was realized. This play was given under the auspices of Eastern Star.
